

Affiliate Membership

Dear International Business Colleague,

Thank you for your interest in becoming an Affiliate Member of the International Business Council of Greater Rochester, NY (IBC).

The Affiliate membership level allows for greater exposure for service providers and other trade related organizations to reach the international trade community via the IBC. Your organization will be on a “preferred” referral basis, have your logo on the IBC website with a direct link to your website, a preferred listing in the resource directory and speaking opportunities. Affiliate Members who are at the Sponsor level (\$2,800.00) are considered a majority sponsor at the Annual Trade Dinner and Expo, receive an expo booth, full table of 8, ad listing in the event’s program, logo on all media and advertising associated with the event and preferred exhibit availability.

The IBC will not receive any commissions or other payments from referrals that generate business for Affiliates.

We look forward a successful partnership and thank you for your support of the IBC of Greater Rochester NY.

*Regards,
Laurie DeRoller
Executive Director
International Business Council of Greater Rochester NY*
