# Certified Global Business Professional Preparation

The increasing globalization of business fills today's competitive markets with both challenges and opportunities. Demonstrate your own competencies in global commerce by becoming nationally recognized as a NASBITE Certified Global Business Professional (CGBP). This 5-part series brings together the rigor of study with the relevancy of skills that will prepare you for just such a challenge. Taught by industry experts who are CGBP credentialed, each component part of the series is designed to prepare candidates to sit for the national CGBP exam. The program is also suitable for individuals transitioning to a new career in global business who are looking for a broad overview of the industry and skills
